

Link Nurse Group

Course Duration Half day 1.30 - 4pm

Target Audience These meetings are suitable for nurses and allied healthcare professionals working within Palliative and End of Life Care for Southern Health NHS, Solent NHS, Portsmouth hospitals and nursing homes within this locality.

Course Information

These Link Nurse Group Meetings are an opportunity to meet other professionals working within Palliative and End of Life Care (EOLC), consisting of an education session and supervision from qualified and experienced professional healthcare practitioners.

Group Benefits

The Link Nurse Group provides an opportunity to enjoy a “bitesize” education session relating to palliative and End of Life care and to network with other nurses and Allied Healthcare Professional’s (AHP’s) working in different areas but with the aim to enhance and influence good End of Life Care.
