

QCF Level 2 Award in End of Life Care

Course Duration 9.30am - 4.30pm

Course Cost £100 per person to include all course materials, refreshments, and a light lunch

Target Audience This course is suitable for anyone wanting to undertake vocational training in End of Life Care, therefore, most suitable for staff working in care homes, domiciliary care agencies and health and social care assistant roles. However, all staff including RN's are able to enrol if interested, especially those new to End of Life Care.

Employers who provide data for the MNDS (Minimum National Data Sets) for Social Care can access Workforce Development Funding to claim back a proportion of the cost of the training and for backfill. More details on this are available from Skills for Care.

Course Aims To assess the learner's knowledge and understanding when beginning to work in End of Life Care.

Venue Rowans Hospice, Purbrook Heath Road, Purbrook, Waterlooville, Hampshire, PO7 5RU

Course Benefits

- Learn different perspectives on death and dying
- Understand the aims, principles and policies of End of Life Care
- Understand factors regarding communication in End of Life Care
- Learn how to access the range of support services available to individuals and others

Course Information

This course is for one day and the assessment will be conducted through a workbook which will be completed during the course of the day through an interactive programme we have devised as a group of hospices with The College.

The awarding body is City and Guilds and the quality of the course is assured by The College working alongside us.
