Rowans Hospice

# TOP TIPS

## to help you hit your Fundraising Target

### Host an event for us

Host a quiz night or a gig for friends and family to attend or organise a bake sale or dress-down day at work.

### Share your story and page

Don't just post once! Share your fundraising page on social media throughout your fundraising journey or when you have hit a milestone. Let everyone know why you are supporting Rowans Hospice and the difference they can help make in our community.

### Set a fundraising target

Fundraisers get a 39% increase in donations if a target has been set, as people want to help you to achieve this!

### Thank your supporters

Share a thank you posts on social media and tag your friends so it reaches a bigger audience.

### Can your company match-fund your target?

Speak to your employer to see if they can donate towards your fundraising event or even match-fund your target once it's been hit!
